Specification of the product according to the relevant SBC: product name, product family, classification, raw material, sealing rings, diameter group, SDR classes etc., if relevant.		

DECLARATION

We have acquainted ourselves with INSTA-CERT GRC and SBC, and with the normative documents for the product. If our application for certificate is accepted, we agree to comply with all relevant regulations for certification and the use of the conformity mark, which INSTA-CERT may issue. This includes regular monitoring the INSTA-CERT homepage to ensure the use of latest editions of relevant documents.

The application will be invoiced.

Date

Applicant's signature

Has to be completed by the manufacturer if the applicant is not the manufacturer:

Undertaking by the manufacturer

We have acquainted ourselves with the requirements of the Standard / Normative document, to which this application is referring. This includes regular monitoring the INSTA-CERT homepage to ensure the use of latest editions of relevant documents. As the manufacturer of the products, for which the applicant requests a certificate to use the conformity mark, we undertake that our products conform to these. We also agree to the fact that there will be performed external inspection at our place of manufacture. The inspection is founded on the certificate and INSTA SBC in force.
