

Regulatory Update - Indonesia

Indonesia – Certification of Products Without Local Testing

Further to PCS Regulatory Update issued on 26th of September 2017 concerning the Indonesian regulator's temporary introduction of paperwork Type Approval Process in Indonesia for all product categories, PCS can now confirm that this temporary document evaluation process for all product categories is valid until 30th of October 2017.

The standard Type Approval procedure in Indonesia will resume as normal after 30th of October, 2017.
