

## Regulatory Alert – Brazil

### ANATEL Public Consultation No. 32 – Proposal to update technical requirements and testing for compliance of Mobile Phone Chargers

On November 16<sup>th</sup> 2016, ANATEL opened Public Consultation No. 32 for the proposal of updating the requirements for Mobile Phone Chargers. The Public Consultation will end on November 30<sup>th</sup> 2016.

ANATEL have set out proposed test requirements for Approving the following Mobile Phone Chargers:

1. Standard (100-240 VAC)
2. Vehicle (12-24VDC)
3. Inductive (Wireless Power Transmission)

Regardless of the type of charger mentioned above, ANATEL have proposed Type Approval is required for each type.

Please see the below link to the public consultation and where comments can be made. The text is in Portuguese language:
